Max’s Krug’s Family Veterans:

Ariel and Damien Krug met and married while in the military and worked at the President's Hospital - Walter Reed National Military Medical Center in Bethesda, Maryland, where Max was born.

Mom: Ariel Krug enlisted from 2011 to 2016 as a Hospital Corpsman with the Navy. Worked as a labor and delivery technician in the same maternity unit that Max was born in, and assisted doctors and nursing with the delivery and aftercare of babies and moms, and also aided in Operating Room procedures.

Dad: Damien Krug enlisted from 2011 to 2016 as a Hospital Corpsman/Orthopedic Technician with the Navy. Assisted in the care of wounded warriors and aided in the treatment and recovery process of many fresh from the field, leading to the saving of many lives. He also worked in physical therapy as well as the cast room, and performed a great many tasks related to the Orthopedic Cast Technician role, and also did physical therapy.

Uncle: Troy Clarkson enlisted for 4 years as a Gunners Mate in the Navy, and is now currently enlisted as infantry with the Army. He has two years left as active duty and may decide to enroll into an officer program, as he has enjoyed his time in the military and may want to turn this into a career. Troy is Damien’s little brother and initially joined the Navy to follow in his big brothers footsteps, as he mentioned that Damien was his hero. He has also been on 2 deployments with the Navy and one so far with the Army. He is Max’s favorite uncle.

David Gale (Papa): Well, it was January 1972 when I began my tour of duty. Of the 4 years, I spent 1 year in Basic and Technical School (Texas), where I trained as a Teletype and Crypto Maintenance Specialist. Then I spent 2 years in the Base Communications Squadron, in Cheyenne Wyoming, at F. E. Warren AFB, a Strategic Air Command Missile Base, and 1 year at Korat, Royal Thai Air Force Base, Thailand.

Cathy Gale (Oma): I left for Basic Training, at Lackland AFB, Texas, in April 1972. After that, I attended Technical School, at Sheppard AFB, Texas from June to October 1972, and that is where David and I met in July. I was trained, as a Teletype and Crypto Operator, processing classified and unclassified government messages. During my career I was stationed in the Base Communications Squadron, at Langley AFB, VA, MacDill AFB, FL, Spangdahlem Air Base, GE, and was also a member of the Colorado Air National Guard and Reserve. I was discharged in April 1992.
To all of our Veterans,
