CU Succeed/Gold Program

Coronado High School has one of the largest dual enrollment programs in the state of Colorado. We take great pride in the fact that so many of our students want to challenge themselves academically, as well as earn college credit, while they are still in high school. Please explore the link below to the CU Succeed/Gold website in order to gain information about course offerings and upcoming registration.

Tuition for college has risen throughout the state, and CU Gold is no exception. This year, each credit hour will follow the following payment structure so long as the student has applied and enrolled. Students must earn a D or better in the course.

Tuition Information

UCDenver -\$77.00 per college credit hour
