

Second Semester Attendance Policies

Students are expected to log on to Schoology and WebEx each school day at the beginning of each assigned period. Please refer to the new Coronado Bell Schedule for days and times. Attendance will still be marked in Q as present or absent.

Similar to prior years, if an absence is not excused, teachers do not have to give missed work. Parents are urged to call our attendance office at 719-328-3613 to excuse an absence.

Attendance Policy for 100% Remote Learning

Attendance will be taken through the teacher's WebEx session. Like in-person learning, students are required to stay on the WebEx session and Schoology course page the whole class period or until the teacher dismisses them.

Although some teachers do not always have a WebEx session, these teachers will make their attendance policy for these days clear on their Schoology pages for the parents and students.

If there is are any issues with attendance, the parent, not the student, needs to call or email the teacher regarding this problem. This needs to be done within 48 hours so the teacher can go back through Schoology to fix these issues.

Attendance Policy for Hybrid Learning

In-person learners- Attendance will be taken as normal.

Asynchronous learners- Teachers will clearly state their attendance policies to students for asynchronous learners during hybrid learning.

Please call our Dean of Attendance, Ricky Lobato at 328-3644 if you have any additional questions.
