Dear Coronado Parents/Guardians:

Coronado's **2022 graduation ceremony** will be held on, May 18, 2022 at 3:00 PM at **The World Arena**. The staff and students of Coronado High School would like this very important event to be meaningful and dignified. We are asking for your help in making the last month of the school year and the graduation ceremony successful. All seniors must report for classes through May 10 and all coursework must be submitted to teachers by the end of that day.

The graduation gowns are made of lightweight material; appropriate dress should be worn under the gowns. Cutoffs, shorts, tennis shoes, and halter-tops are considered inappropriate dress. Corsages, boutonnieres or other adornments are not to be worn on the graduation gown. Security of purses and other valuables are of concern; it is recommended they be left at home or with a parent during the ceremony.

Graduates need to check with Coronado's Business Office or Media Center to ensure they do not have any obligation fees for books, class fees, etc. Students with unpaid obligations will not receive their cap and gown until their obligations have been paid in **full**. All seniors will receive a packet immediately after the graduation ceremony which contains their diploma, report card, shot record, transcript, and academic letter or pin (if earned). College bound seniors need to contact our registrar, Andrea Abitia or College and Career Counselor, Cody Eden, to let them know where to mail their **final transcript by May 10**.

Seniors not planning to participate in the graduation ceremony must also let Ms. Abitia know by this date. If you need a sign language interpreter, section 107 in the World Arena will be reserved for the hearing impaired. Please contact Ms. Abitia for assistance at 719-328-3615.

Student involvement in pranks during the graduation ceremony will not be tolerated. Students are not to bring water guns, beach balls, helium balloons, noisemakers, etc. to the graduation ceremony. Students who do bring such items place themselves in jeopardy of not being able to participate in the ceremony. With your assistance, our 2022 graduating seniors will be less likely to become involved in any activities that will disrupt their ceremony.

Another significant concern is student behavior during the last few weeks of school. Students are advised that vandalism of any type will result in disciplinary action. Vandalism is any type of activity that defaces or damages District 11 property. We sincerely hope that our 2022 graduates do not become involved in any vandalism.

If violations do occur, the Coronado Administration will be required to enforce the School District Policy IKFB, which states in part:

Any senior otherwise qualified for graduation, who during the last month of the final semester of school for seniors, including that period of time between the last day of classes for seniors and the graduation ceremony for his/her school, and who damages, destroys, or vandalizes District property, injures fellow students, faculty members or administrators, or commits any Material or Substantial disciplinary infraction, shall be excluded from participation in graduation ceremonies and exercises.

In addition to exclusion from participation in graduation ceremonies and exercises and possible suspension or expulsion, students and their parents/guardian shall be held liable for damage, destruction or bodily injury caused by the student, as set forth in state law.

Faculty will be reading the first, middle, and last names of graduating seniors at the ceremony. Seniors are requested to see the assigned administrator before May 11 if they are concerned with their name being mispronounced.
