

Exploring PPLD on Laptops

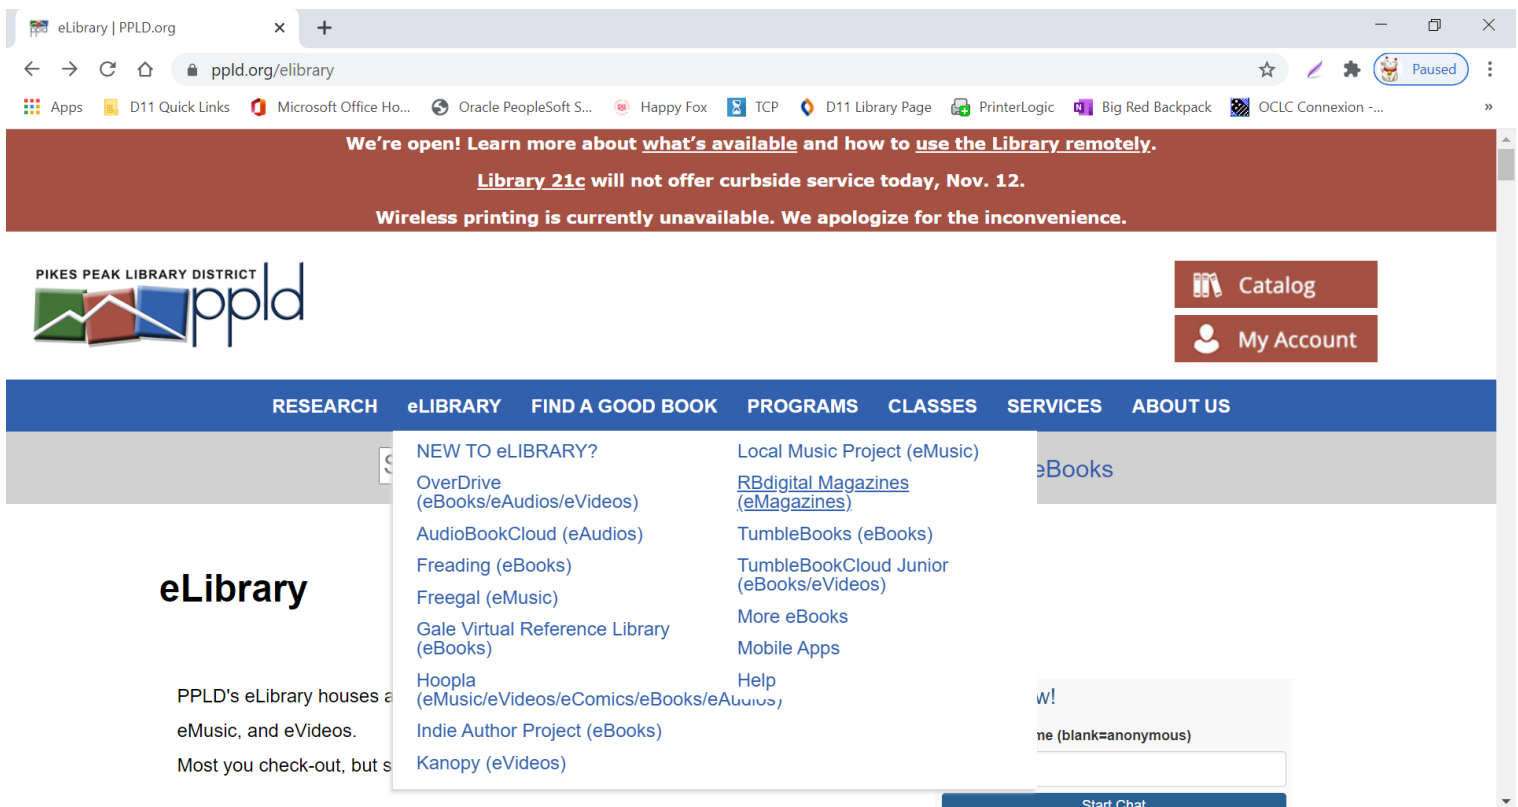

When accessing PPLD on a laptop or Chromebook, it's as simple as bringing up the Chrome browser and typing in PPLD.org into the address bar.

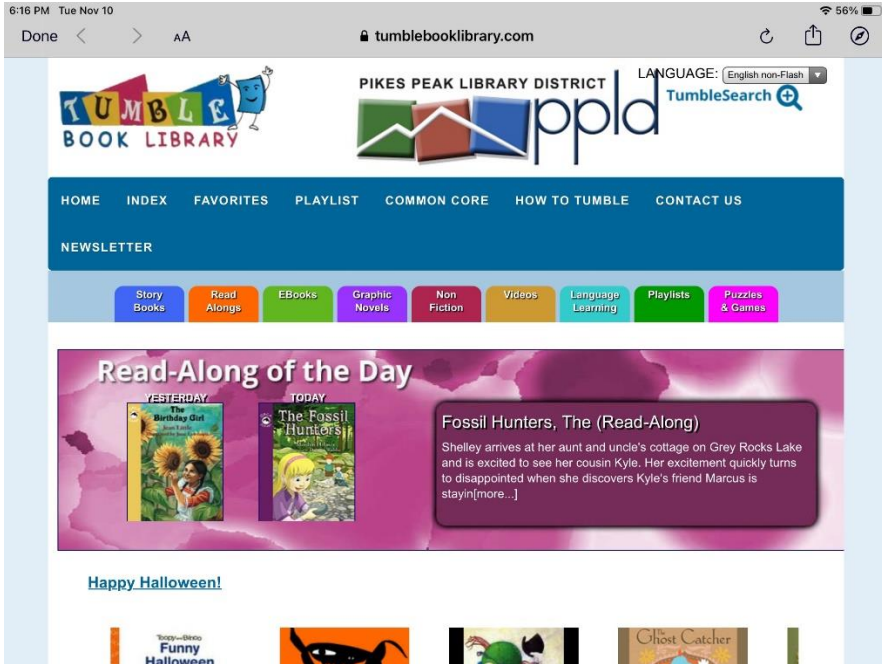

Click the My Account box and enter your PowerPass Library Card or your personal library card information.

Once logged in, hover over ELIBRARY to see the various options: eBooks, AudioBooks, Music, and 2 TumbleBook options.

TumbleBooks is a young reader site that has Story Books, Read Alongs, Graphic Novels, and even Puzzles and Games. There are so many great places to explore in the Tumble Book Library. This is a great way to hear a story and read along at the same time.

TumbleBookCloud Junior includes a varied selection of eBooks and eVideos. This site offers a varied selection of choice to explore.

Anything in the TumbleBooks collections do not have to be checked out. Students can click and enjoy a varied number of interesting and entertaining options.

Go, explore, and enjoy all the wonderful selections that PPLD has to offer!
