

Colorado Springs School District 11

The world is changing.
Meet the future.

Management Directive from the Superintendent

Date: July 1, 2014

Subject: Management Directive – Password Security

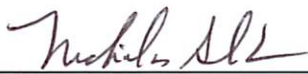

Management Directive #: MD-E1

Purpose:

Password security is fundamental to the safe and efficient use of District 11's network and computing systems. Careless control of passwords can lead to security breaches in our computing systems that jeopardize the safety and security of staff, students and taxpayers by allowing unauthorized access to important information.

Directive:

No employee shall share or reveal with any other individual(s) any password(s) to any network or system(s) entrusted to them.

Signed: 
Dr. Nicholas M. Gledich
Superintendent of Schools
