CONVENIENCE FOR YOU

A SAFE and FUN program for your child!

In our Program your child...

- stays on school grounds and is not transported in bad weather
- stays in their school accessible to any extra enrichment activities offered by the school
- will be led by caring, reliable and competent adults
- has an opportunity to begin their homework without interruption from the hustle and bustle of the evening events and everyday tasks
- will wind down and socialize with friends
- will have physical group and individual exercise through sports and games
- will experiment with a variety of craft media for creative expression
- will have exposure to many projects while learning through cooperative play
- will have options for learning hobbies to last a life time
