

**CEREMONIAL RESOLUTION 2014-3  
LABOR DAY**

**Whereas,** Labor Day is celebrated on the first Monday in September, and constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country; and

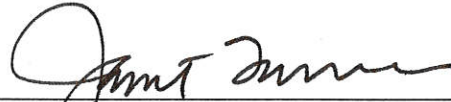

**Whereas,** Colorado Springs School District 11 has over 5000 employees who work diligently to educate our students and prepare for them for a world yet to be imagined by providing excellent, distinctive, educational experiences that equip students for success today and in the future; and

**Whereas,** Through the years the nation has given increasing emphasis to Labor Day, because the vital force of labor has added materially to the highest standard of living and the greatest production the world has ever known and has brought us closer to the realization of our traditional ideals of economic and political democracy. It is appropriate, therefore, that the nation and Colorado Springs School District 11 pay tribute on Labor Day to the creators of so much of our country's, state's, and community's strength, freedom, and leadership — the American worker.

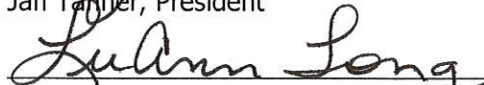

**Now, therefore be it resolved,** that the School District 11 Board of Education in the county of El Paso, State of Colorado, wishes to recognize the spirit of the American worker this 28th day of August, 2013.
