

**Resolution 2014-8**

National School Lunch Week

October 14-18, 2013

**WHEREAS**, sound nutrition plays a vital role in ensuring that children reach their full potential physically, emotionally, and intellectually, and

**WHEREAS**, there is need for continuing nutrition education in a changing world where good health habits will last a lifetime when taught at an early age; and

**WHEREAS**, we reaffirm our concern for the health of our District's students and staff by continuing to press forward in our objective to meet the Dietary Guidelines for Americans in our school meal programs through serving only healthy, fresh food with the D11 Good Food Project; and

**WHEREAS**, Colorado Springs School District 11 participates in the National School Lunch Program at each of its schools, serving more than 12,500 lunches daily, through the combined efforts of our principals, teachers, parents, Federal, State and local officials, and especially the 300+ Food & Nutrition Services professionals working throughout the District;

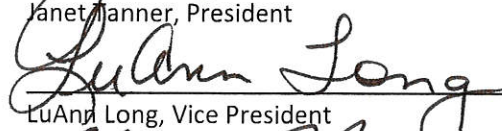

**NOW THEREFORE**, the School District 11 Board of Education, do hereby proclaim the week of October 14-18, 2013 as National School Lunch Week in District 11, and we encourage all Colorado Springs residents to become aware and concerned about their children's and their own nutrition habits, in hope of achieving a more healthful citizenry for today and for the future.

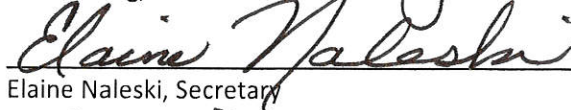

Dr. Nicholas M. Gledich
