

ANNUAL REPORTING TO THE PUBLIC

Colorado Springs School District 11 (the District) shall report data on the status of its Business Plan Goals to the public on at least an annual basis. The reports shall include a District profile of student performance and a summary profile of student performance for each school in the District. Reporting shall be consistent with but not limited to the reporting requirements found in state law and Colorado Department of Education (CDE) rules for both the state and district levels.
