

Service Animals

The Colorado Springs School District 11 Board of Education (the Board) adopts this policy to ensure that individuals with disabilities are able to participate in and benefit from Colorado Springs School District 11 (the District) services, programs and activities, to ensure that the District does not discriminate against individuals on the basis of disability, and to otherwise comply with applicable state and federal laws. In accordance with federal law, a miniature horse may be treated the same as or similar to a Service Animal.

“Service Animal” means any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.

In accordance with law, individuals with disabilities may be accompanied by service animals (“Service Animals”) in District facilities and vehicles, on District grounds and at District functions.

“Service Animal-in-training” means a dog that is being trained as a Service Animal.

In accordance with law, trainers of Service Animals may also be accompanied by a dog or miniature horse that the trainer is in the process of training. Such trainer may be accompanied in District facilities and vehicles, on District grounds and at District functions.

The Superintendent will develop regulations to implement this policy.
