

SOLICITATIONS IN SCHOOLS/DEPARTMENTS

Colorado Springs School District 11 (the District) shall seek to enhance relationships with businesses and other organizations who wish to promote a service or good to the District schools and/or departments. There is a process in place for establishing mutually beneficial relationships. Businesses and other organizations including online solicitations shall contact Volunteer Services and Community Partnerships (hereinafter referred to as Volunteer Services) to obtain information on engaging with the District. The District uses an electronic flyer system managed by Volunteer Services.

The District and its employees in their official capacities shall not endorse or supply statements as advertising in support of any solicitor products and/or services. Students shall not be used as sales agents.

Solicitations for funds by charitable organizations shall require the approval of executive leadership or building principals in collaboration with Volunteer Services before either employees or students may be approached on school or District premises.
