A nice variety of hot and cold breakfast items is served daily in 45 selected sites before each school day. Studies have shown that those students who start their day with breakfast perform better in not only in their schoolwork but in athletics. <https://www.d11.org/Page/2037>

Breakfast is FREE for all students who qualify for either free or reduced lunch.

Breakfast is also served FREE to all students in the classroom after the tardy bell rings **at selected** District 11 school sites. See our web site for a complete list of those schools.

A special note about CSSD11 lunch service. **Reduced priced lunch is now FREE for grades PK through 12th grade in District 11!** The Colorado State Legislature passed laws in 2008, 2014, and 2019 that eliminated the “reduced price” for lunch in grades PK-12, making this lunch meal **FREE** for students who qualify for “reduced price.”

CSSD11 **does not** allow meal charges beyond the first 30 days of school. Per Federal law, any charges accrued during that time must be paid back. After the first 30 days, if students have insufficient funds for meal service they **will be offered an alternate meal**. Slips will be sent home with the student informing parents of the alternate meal served along with payment information for future meals.
