

Schoology – How to see missing and turned in assignments the easy way!

Click “Grades” on the left side of the screen, this will bring up all the assigned materials for your specific class.

TIPS:

Click the title of the assignment and Schoology will navigate to the assignment.

If it's an assessment (green puzzle piece), a notification will **NOT** be sent to your teacher, so send an email to let them know it was submitted.

For an assignment, your teacher should receive a notification when it is submitted, but an email would be a good idea since you want them to be aware of it.
