

Install Office Apps on Your Personal Device

As a district 11 student, you have 5 Office licenses that you can use to download Office Apps onto your personal devices. **If you need to download** word, excel, PowerPoint, OneDrive, etc. onto a **personal computer**:

- go to office.com and log in using your D11 email and password
- Once you've logged in, select "Install Office"
- from the top right corner, click on "Office 365 Apps"
- follow the onscreen instructions for installation

On Your Phone or Tablet

Go to the app store and install the Office Apps you want (OneDrive, Word, Excel, etc.).

Log in using your D11 email and network password.
