

BUILDINGS/GROUNDS/PROPERTY MANAGEMENT

Colorado Springs School District 11 properties shall be maintained in good physical condition as safe, clean, sanitary, comfortable and convenient as the facilities will permit or the use requires.

The Superintendent shall have the general responsibility for the care, custody and safekeeping of all school property establishing such procedures and employing such means as may be necessary to discharge this responsibility.

At the building level, the principal shall be responsible for overseeing the school campus and for the proper care of school property by the staff and students.

The Deputy Superintendent of Business Services shall be responsible for creating a plan for the operation and maintenance of the school plant and for establishing any regulations that may be required for efficiency and service.
