

PROMOTION, RETENTION AND ACCELERATION OF STUDENTS

Because the public schools of this district are dedicated to the best total and continuous development of each student enrolled, the professional staff shall be expected to place students at the grade level best suited to them academically, socially and emotionally. Students normally will progress annually from grade to grade. Exceptions may be made when in the judgment of the professional staff such exceptions are in the best educational interest of the students involved. Exceptions may be made after prior notification and explanation to the student's parents, but the final decision shall rest with the school administration.
