

EXCLUSIONS AND EXEMPTIONS FROM SCHOOL ATTENDANCE

Denial of Admission

The Colorado Springs School District 11 Board of Education (the Board) or the Superintendent may deny a child's admission to the schools of Colorado Springs School District 11 (the District) only as provided by law.

Students who were expelled from any school district during the preceding 12 months or whose behavior during the preceding 12 months in another school district was detrimental to the welfare or safety of other students or school personnel may be denied admission to the schools of the District. Failure by the parent/guardian and/or student to disclose accurate behavior information from the previous 12 months may result in the denial of admission to the schools of the District.

No child shall be denied admission to the schools of the District without an appropriate level of due process of law.
