

STUDENT HEALTH SERVICES AND REQUIREMENTS

The purpose of the health services in the schools shall be to help each student attend school in optimum health and to benefit from the school experience.

Colorado Springs School District 11 (the District) shall cooperate with the El Paso County Health Department in promoting good health practices within the school system.

Health records

School nurses shall supervise and maintain cumulative school health records for all students at a centrally-located file within the administrative area of each school. Health records shall follow students from school to school.

Annual screening programs

The sight and hearing of all students in kindergarten, first, second, third, fifth, seventh and ninth grades or students in comparable age groups referred for testing shall be tested during the school year by the school nurse, teacher, principal or other qualified person authorized by the school district, as required by law.

The parents or guardians shall be informed when a deficiency is found.

This provision shall not apply to any student whose parent or guardian objects on religious or personal grounds.

Cleanliness standards

If cleanliness of a student causes concern, staff may consult with the parent/guardian.
