

RELATIONS WITH ELECTION AUTHORITIES

(Voter Registration)

In order to encourage voter registration, the Colorado Springs School District 11 Board of Education (the Board) authorizes all high school principals or their designees to serve as deputy registrars for voter registration purposes only. If a principal or designee acts as a deputy registrar, he or she must follow the processes outlined by the El Paso County Clerk's Office. Schools are also authorized to allow groups engaged in the process of registering voters to conduct the voter registration process on school campuses. Any member of such group must first be registered with the District 11 Office of Volunteer Services and Community Relations.

Students, Colorado Springs School District 11 (the District) employees, persons attending school functions or any other person who is eligible to vote may be registered to vote on a high school campus.
