

RESOLUTION 2016-14
AMERICAN EDUCATION WEEK
November 16-20, 2015

Whereas, public schools are the backbone of our democracy, providing young people with the tools they need to maintain our nation's precious values of freedom, civility, and equality;

Whereas, by equipping young Americans with practical and life time skills, and broader intellectual abilities, schools give them hope for, and access to, a more productive future;

Whereas, education employees – be they teachers, building technicians, bus drivers, principals or librarians – work tirelessly to serve our students, families and communities with care and professionalism; and

Whereas, schools are community linchpins, bringing together adults and children, educators and volunteers, business leaders and elected officials in a common enterprise; now, therefore,

We, the members of the Board of Education of Colorado Springs School District 11, do hereby proclaim November 16-20, 2015, as AMERICAN EDUCATION WEEK in School District 11, and urge all parents, teachers, administrators, and students to join us in honoring the institution of education in America.

This year marks the 94th annual, national observance of American Education Week.
