

Resolution 2017-5

Authorization of Legislation Liaisons

Whereas the District 11 Board of Education believes that it is advantageous to take an active role in the development of K-12 education legislation at the national, state, and local level;

Whereas the Board of Education believes that District 11 board members and staff can provide an expertise to legislators and other elected officials that would be beneficial in the development, modification, and approval of legislation; and

Whereas District 11 Policy BJA requires employees representing District 11 in legislative matters have prior approval by the Board of Education; now, therefore, be it

Resolved that:

the following individuals shall be authorized to present testimony; offer information; and provide advice, guidance or counsel to federal, state and local elected officials for 2017:
