➤ **World History:** 2 projects are required

Project #1: The first project must be on an **historical time period dealing with a country other than the United States that you studied in this class.** Research your topic and then choose how you want to present the information from this list: diary, song, bulletin board, 5 page research paper, collage with a one page typed explanation of the time period, or power point (at least 15 slides.) A correctly formatted 'Works Cited' page of at least 5 sources is required for all projects!

Project #2: The second project must be on a **person from one of the historical time periods covered in this class.** Research your topic and then choose how you want to present the information from this list: bulletin board, 5 page research paper, mobile, or power point (at least 15 slides.) A correctly formatted 'Works Cited' page of at least 5 sources is required for all projects!
