Students a few hints to help you come prepared for school each day:

Get all your stuff needed put together the night before-to include your chromebook, projects, athletic apparel, music instruments and apparel, water, snacks-I think you get it. Come Prepared!!

Students remind your parents they can contact you through your D11 email address during the day.

If you forgot your Chromebook please remember we have loaners so you don't have to call home.

When you come to the office you must have a pass. Also, entry into the office is only through the front office door.

No outside food unless you bring it with you when you arrive. No food deliveries –examples include uber, grubhub.

Make sure to check the lost and found in the cafeteria as lots of items are looking for their owner.

Students when you call home please leave a message. Parents call everyday saying they see the Jenkins # but have no idea who called. Well, neither do we!!

Remember every time we interrupt a room we are interrupting your learning!! Do your part and come prepared for school each day.
